

# Certificate

## Indoor Air Comfort

Gyproc ThermaLine PIR

*Certified Product*

Saint-Gobain Construction Products UK Ltd. trading as British Gypsum

East Leake, Loughborough, Leicestershire LE12 6JU, United Kingdom

*Applicant*

The above product complies with the Indoor Air Comfort specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals.

Indoor Air Comfort combines all mandatory European regulations on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances are not combined or evaluated.

The following VOC regulations are combined and the certified product shows compliance with these VOC emission related limit values:

Belgium regulation  
France VOC class A  
Germany (AgBB/ABG)  
Italian CAM Edilizia  
EU Taxonomy Regulation

Issue date: 15 March 2024

Validity date: 15 March 2029

Product type: Thermal Insulation

Certificate number: IAC-497-01-03-2024

This certificate is valid as specified if regular surveillance and testing is done.

## Appendix to Certificate IAC-497-01-03-2024

Saint-Gobain Construction Products UK Ltd. trading as British Gypsum

receives the Indoor Air Comfort certificate with validity 15 March 2029

for below product group, including subgroups and individual products as listed:

Product group: Gyproc ThermaLine PIR

Product type: Thermal Insulation

Products included:

Gyproc ThermaLine PIR

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort certification. A worst-case product, which is representative for the whole group, is being tested frequently.
