### Installation guidance

#### Limitations of use

Do not use on surfaces that bleed oils or plasticisers or in contact with bitumen or asphalt. Do not attempt to sand down this product.

---

### Application

#### Sealing applications

All surfaces must be clean, dry and free from dust, grease and any loose materials.

Carefully cut one end off the foil and fit it into the caulking gun.

Cut the nozzle at an angle to provide a suitable diameter bead for the joint to be sealed, normally 6mm.

Apply sealant into the joint ensuring good contact is made with the sides of the joint, and ensuring continuity of the seal where required.

Tooling can be carried out within 10 minutes if necessary, using a wet tooling stick, trowel or spatula.

Surplus sealant can be removed if necessary within 10 minutes using a damp cloth or sponge.

### Sitework

#### Packaging overview

600ml foil sausage, supplied in cartons of 12 foils.

|                     |            |
|---------------------|------------|
| Quantity per carton | 12 foils   |
| Quantity per pallet | 75 cartons |

#### Storage

Store in a dry place between 5°C and 25°C; keep out of sunlight and protect from frost.

#### Handling

British Gypsum fully accepts its responsibilities as a supplier of building materials and systems as required by Section 6 of the Health and Safety at Work etc. Act 1974.

To reduce manual handling risk, employers and workers should follow HSE's Manual Handling Operations Regulations 1992 (MHOR) and the HSE's guidance on manual handling at work (INDG143). Employers should carry out a risk assessment and implement control measures to avoid or minimise the need for manual handling. Workers should follow safe lifting and moving techniques and report any hazards.

#### Shelf life

2 years in original unopened packaging when stored correctly.

#### Safety Data Sheet

Safety Data Sheet (SDS) available. [Click here.](#)

### Environmental

#### Recyclability

This product cannot be recycled.

#### Disposal

Waste should be disposed of in accordance with local authority requirements.
