## Eligibility Criteria

### Who can apply?

To be eligible to apply for a grant, your group must be one of the following:

- A registered charity
- A voluntary or community organisation
- A not-for-profit company
- A community interest company (CIC)
- A charity incorporated organisation (CIO)
- A school
- A statutory body
- An unincorporated club or association
- A community benefit society
- A group requesting financial donations must have a business bank account. Financial donations cannot be paid to an individual
- Employees and relatives of employees of Saint-Gobain may apply for a grant
- Resident of our local community, within a 15 mile radius of one of our five manufacturing sites

### What can we support?

- Local projects within a 15 mile radius of one of our five manufacturing sites
- Projects that benefit your local community, particularly the priority issues Saint-Gobain are working to make a difference on:
  - Supporting young people, including those from diverse backgrounds to access science, technology, engineering and mathematics education and careers
  - Poverty and inclusion and diversity in and around our site locations Biodiversity and looking after life on land
  - Happy and healthy people and communities

### What can't we support?

- Political or predominantly religious activities
- Businesses
- Statutory provision
- Grant-making bodies applying for funding to redistribute to others
- Contributions to large nationwide appeals

If you're Eligible within one of the above, then complete our application form on the page to tell us about the great work you're doing within the community.
