

Suspended grid ceiling system

Casoline GRID is a lightweight ceiling system available in concealed or exposed grid options. It presents an attractive pre-finished white ceiling and a range of decorative effects are possible by selecting the desired tile/board edge profile and finish. Pre-finished tile options include smooth, textured, patterned or perforated effects.

For further installation guidance on specialist systems, please refer to the British Gypsum website www.british-gypsum.com

Alternatively, contact the British Gypsum Drywall Academy Advice Centre on 0800 800 1991.
